

RIDI GROUP

CPD and Education

RIDI GROUP

FAMILY OWNED FOR SIXTY YEARS

As a leading European lighting manufacturer at the forefront of lighting technology and design for over sixty years, RIDI Group has a wealth of knowledge and expertise about all facets of lighting and the lighting industry.

We are pleased to offer the following courses and presentations to assist your CPD. Presentations will be delivered by an experienced member of our team with personal expertise in the topic being covered.

A number of the presentations are also certified by RIBA, allowing associates to claim double the usual number of CPD points on those particular subjects.

To arrange a CPD presentation, contact your local RIDI Group representative, call our main office on 01279 450882, email info@ridi.co.uk or fill in the form at ridi-group.co.uk/cpd

How we can preserve our heritage with the right light

- How to balance existing historic architecture with the introduction of a modern lighting system
- how do LED light sources compare to traditional lamps
- project planner for using LED in historic buildings - the five basics
- case studies - projects completed

Duration: 1hr

Spectral Blade 2

- New continuous option
- Available materials and finishes
- Optional product shapes
- Optical control options
- Installation overview
- POE options

Duration: 30 Mins

Visits

RIDI Group Juningen Production Facility

We occasionally run a two day visit to our main production facility in Jungingen, Germany.

The agenda comprises presentations of the latest technology and product innovations with one or more being CPD certified.

The main attraction is a guided tour around the production areas to see how RIDI, Spectral and Li:Fy luminaires and LED boards are produced.

Dates are not fixed, but please let our representatives know if this is something you would be interested in attending in the future.

Duration: Two Days

Spectral showroom Clerkenwell. London

Spectral have a permanent presence in Forma 5's showroom on Old Street, Clerkenwell.

The showroom is open weekdays between 9am and 5:30pm and contains a changing selection of Spectrals most up to date products.

To arrange to meet a representative there, contact them directly, call the RIDI Group office on 01279 450882, email info@ridi.co.uk or fill in the form at spectral-lighting.co.uk/showroom
